PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by Order in Council of the 4th May, 1916, authority was granted for the reservation of certain lands comprising the Scott and Noon Creek drainage basins from homestead entry or sale, in order to prevent the possibility of the contamination of the waters of these creeks from which the city of Port Moody proposes to obtain its domestic water supply ;

Therefore His Royal Highness the Governor General in Council is pleased to order that the schedule of lands accompanying the above mentioned Order in Council shall be and the same is hereby amended by omitting therefrom Frl. Section 36, Township 39 west of the Coast Meridian, and the W. $\frac{1}{2}$ of Section 35, Township 4, Range 7, west of the 7th Meridian, and incorporating therein Frl. AT THE GOVERNMENT HOUSE AT OTTAWA

Saturday, the 23rd day of September, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 19th September, 1916, from the Minister of the Interior, stating that Mr. Frank A. Collins, Superintendent of School Lands, Winnipeg, has recommended that auction sales of School Lands be held in the Provinces of Saskatchewan and Alberta during the present autumn at the following points, namely :—Kamsack, Blaine Lake and Biggar in the Province of Saskatchewan, and at Provost, Sedgewick and Chinook in the Province of Alberta;

That before making any arrangements for these sales, the Premiers of Saskatchewan and Alberta were asked for an expression of their opinion as to the advisability of holding auction sales of School Lands in these Provinces during the present year;

That in reply a letter was received from the Provincial Treasurer of Saskatchewan stating that his Government was of the opinion that the present autumn would be an opportune time for holding sales of School Lands at Blaine Lake and Biggar in that Province;

That the Premier of Alberta has also expressed the concurrence of his Government in the proposed sales in the Province of Alberta,—

As the Minister is of opinion, in view of the representations made to him, that it would be in the interests of the School Lands Fund to hold auction sales of School Lands at points mentioned during the present autumn, he recommends that the authority of Council be given for that purpose. The lands will be inspected before the sales are held and will be offered at such upset prices as will safeguard the interests of the School Lands Endowment Fund. The sales will also be subject to the provisions of The Dominion Lands Act with respect to auction sales of School Lands.

Authority was given by Order in Council of the 12th February, 1916, for the holding of auction sales of School Lands in the Province of Manitoba at Rossburn, Glenella and Dauphin during the months of June and July last, when auction sales were also held at several points in the Provinces of Saskatchewan and Alberta, but as the inspections of the lands to be offered in Manitoba were greatly delayed owing to the lateness of the season, it was not found possible to offer the Manitoba School Lands at that time.

The Minister, therefore, recommends that authority be given for the sale of these lands at Rossburn, Glenella and Dauphin during the present autumn.

The Committee concur in the foregoing recommendation and submit the same for approval.

14-4 Clerk of the Privy Council

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté en conseil du 22 janvier 1914 ont été sanctionnés des règlements généraux concernant les trains et les enclenchements usités sur les chemins de fer de l'Etat ;

Et attendu que dans un rapport, daté le 2 septembre 1916, le gérant général des chemins de fer de l'Etat a représenté que, à cause de récentes améliorations dans le mécanisme d'enclenchement des signaux du *block-system*, et dans le but d'assurer la sécurité dans le mouvement des trains, il est expédient et nécessaire que certains articles des règlements actuels soient abrogés, savoir, certaines des " Définitions et indications" sous le titre " Signaux automatiques du *block-system* " et certaines des " Définitions et indications" sous le titre " Signaux d'enclenchements", et qu'aux dits articles soient substitués les suivants :

Signaux automatiques du block-system.
Définitions et indications.

Section (Block)—Partie d'une voie d'une longueur déterminée, sur laquelle le passage des trains est réglé par les signaux de section (block).

Signal de section (Block signal)—Signal fixe pour régler le passage sur la section (block).

Signal de section contigu (Home block signal)—Signal fixe à l'entrée de la section pour régler l'entrée et le passage sur la section.

Une aile de sémaphore dans une position horizontale indique " Arrêtez " Dans la même position, la nuit, le sémaphore porte une lumière rouge.

Une aile de sémaphore à 90 degrés au-dessus de l'horizontale indique " Passez. " Dans la même position, la nuit, le sémaphore porte une lumière verte.

Signal de section à distance (Distant block signal)—Signal fixe relié à un signal de section contigu pour en régler l'approche.

Une aile de sémaphore à 45 degéts au-dessus de l'horizontale indique " Passez de manière à arrêter au signal suivant." Dans la même position la nuit, le sémaphore porte une lumière jaune.

Une aile de sémaphore à 90 degrés au-dessus de l'horizontale indique " Passez. " Dans la même position la nuit, le sémaphore porte une lumière verte.

L'aile d'un sémaphore dans un signal automatique de section (automatic block signal) se termine en une pointe qui indique " Arrêtez et passez. " La face est peinte en jaune avec une barre et le revers en noir avec une barre blanche.

Feux marqueurs—Les signaux automatiques portent une lumière blanche luniforme pour indiquer la forme de l'aile du signal, et se trouve à six pieds au-dessous de la lumière du signal. Un feu marqueur placé verticalement au-dessous de la lumière du signal indique que l'aile a une extrémité carrée ; placé diagonalement au-dessous de la lumière du signal, il indique une aile pointue.

Indicateur—Appareil " ordinairement manœuvré en rapport avec une aiguille ", pour indiquer la position du signal auquel il réfère. Il porte une aile de petite dimension ou un disque qui prend la position d'arrêt quand le signal de section contigu prend la position d'arrêt, ou quand un train est près de s'engager sur la section. Aux croisements de la voie principale, les indicateurs placés près de chacune des voie, à l'aiguille, réfère au signal qui protège la section (block) sur l'autre voie.

Block-system automatique—Succession de sections (blocks) consécutives dont les signaux sont manœuvrés au moyen de l'électricité, de l'air ou d'un mécanisme quelconque mis en activité par le passage d'un train ou par certaines conditions résultant de la manœuvre sur la section (block).

SIGNAUX D'ENCLENCHEMENT.

Définitions et indications.

Enclenchement.—Disposition d'aiguilles, de clefs et de signaux reliés entre eux de façon à ce que leurs mouvements se suivent nécessairement dans un certain ordre fixé à l'avance.

Mécanisme d'enclenchement.—Ensemble des appareils d'aiguillage, de clefs et de signaux enclenchés.

Poste d'enclenchement.—Endroit d'où se manœuvre le mécanisme d'enclenchement.

Signaux d'enclenchement.—Signaux fixes d'un mécanisme d'enclenchement.

Signal contigu (Home signal)—Signal fixe pour règler le mouvement des trains sur une voie ou des voies, et placé à un point où les trains doivent s'arrêter quand la voie est fermée.

Une aile de sémaphore dans la position horizontale indique "Arrêtez." Dans la même position la nuit, le sémaphore porte une lumière rouge.

Une aile de sémaphore à soixante degrés au dessous, ou 90 degrés au-dessous de l'horizontale indique "Passez." Dans la même position, la nuit, le sémaphore porte une lumière verte.

Signal à distance—Signal fixe relié à un signal contigu (home signal) pour en régler l'approche.

Une aile de sémaphore à 45 degrés au-dessus de l'horizontale indique " Passez de manière à vous arrêter au prochain signal." Dans la même position, la nuit, le sémaphore porte une lumière jaune.

Une aile de sémaphore à 60 degrés au-dessous, ou 90 degrés au-dessus, de l'horizontale indique " Passez." Dans la même position, la nuit, le sémaphore porte une lumière verte.

Signal minuscule (dwarf signal)—Petit signal bas, du genre sémaphore, servant de signal contigu (home signal) pour garder une ou plusieurs voies divergentes ou nouvelles.

Lanterne signal (pot signal)—Un petit signal pour indiquer la position d'une aiguille ou remplacer un signal minuscule (dwarf signal).

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU qu'un arrêté en conseil du 4 mai 1916, accordait l'autorisation de soustraire de l'inscription de homestead et de la vente de certains terrains comprenant les bassins de drainage des creeks Scott et Moon en vue d'empêcher la possibilité de la contamination des eaux des dits creeks, dont la cité de Port-Noody se propose de tirer son approvisionnement d'eau ;

Et attendu que le tableau donnant la description de certains terrains, qui était annexé au dit arrêté en conseil comprenait des terrains qui ne sont pas situés dans les limites des bassins de drainage des creeks Scott ou Noon et qu'il n'est pas nécessaire par conséquent de soustraire ces terrains de l'inscription de homestead, de la vente ou d'autre disposition au gré de la Couronne ;

Et attendu que les renseignements que possède aujourd'hui le Ministère démontrent qu'il y a deux étendues de terrain peu considérables situées dans les limites du bassin de drainage des dits creeks, qui, s'ils n'étaient soustraits de l'inscription et de la vente, pourraient causer la contamination des eaux des dits cours d'eau,—

A ces causes, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que l'arrêté en conseil susmentionné soit par les présentes modifié en en retranchant la sec. frac. 36, township 39, O.M.C., et la ½ sec. O. 35, tp. 4, r. 70, 7e M., et en y ajoutant la sec. frac. 36 et la ½ sec. E. 35, situées toutes deux dans le township 4, rang 7, à l'ouest du 7e méridien.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU qu'il est jugé opportun d'établir des prescriptions pour régler les cas d'avaries aux navires de Sa Majesté par des collisions ou autres accidents causés à dessein ou par négligence par les capitaines d'autres navires ; et pour autoriser l'arrestation et la punition des marins qui, après s'être engagés pour servir à bord d'un navire anglais appartenant à l'amirauté ou affrété ou réquisitionné par l'amirauté, retardent, en s'absentant ou autrement, le départ de leurs navires,—

A ces fins, il plaît à Son Altesse Royle le Gouverneur général en conseil, sous l'empire des dispositions de l'article six de la *Loi de 1914 des mesures de guerre*, de faire et d'établir par les présentes les règlements suivants :

1. Si un navire, par une collision ou un autre accident, cause des avaries à un navire appartenant à Sa Majesté ou engagé dans le service de Sa Majesté ou à une personne à bord d'un tel navire, ou s'il est manié ou conduit de manière à créer un danger de collision avec un navire appartenant à Sa Majesté ou engagé dans le service de Sa Majesté, le capitaine ou toute autre personne en charge du dit navire se rend coupable d'une infraction aux présents règlements, à moins qu'il ne soit prouvé que les dites avaries ou le dit danger de collision n'ont pas été causés par sa négligence à maintenir ou faire maintenir une vigie suffisante ou à observer ou à faire observer l'un quelconque des règlements pour éviter les collisions en haute mer, ou l'un des règlements concernant la navigation ou l'amarrage des navires dans un port ou aux approches d'un port, ou l'un des présents règlements, ou de prendre ou faire prendre toutes les précautions exigées par la coutume ordinaire des marins ou nécessaires dans les circonstances.

2. Se rend coupable d'infraction aux présents règlements tout marin qui, après avoir été légalement engagé tel que prescrit par les lois de 1894 à 1914 concernant la marine marchande ou par la *Loi de la marine marchande au Canada*, pour servir à bord d'un navire anglais appartenant au Lord Grand Amiral du Royaume-Uni ou aux commissaires qui remplissent les fonctions du Lord Grand Amiral du Royaume-Uni, ou affrété ou réquisitionné par eux,

(*a*) néglige ou refuse sans motif raisonnable de se rendre ou de prendre la mer sur son navire, ou déserte ou s'absente en tout temps sans permission de son navire ou de son poste ; ou

(*b*) Se rend sur son navire dans un état d'ébriété assez avancé pour nuire à l'accomplissement de ses devoirs ou à la navigation de son navire.

(2) Le capitaine, le lieutenant ou le propriétaire du navire, ou son agent, ou un officier de la marine ou de la milice, ou un surintendant tel que défini par les lois de 1894 à 1914, concernant la marine marchande ou par la *Loi de la marine marchande au Canada*, a le droit, avec ou sans l'assistance d'un constable de police ou d'un autre officier de paix, de transporter sur son navire tout marin qu'il a des motifs de croire coupable d'une infraction au paragraphe (*a*) des présents règlements.

(3) Les constables de polices et autres officiers de paix doivent donner toute l'assistance qu'on leur demande pour appréhender les marins et les transporter sur leurs navires tel que prévu par le présent règlement.

(4) L'exercice des pouvoirs conférés par le présent règlement ne sera pas sujet à la restriction imposée par les lois de 1894 à 1914 concernant la marine marchande ou par la *Loi de la marine marchande au Canada* à l'exercice de pouvoirs semblables conférés par ces lois.

3. Toute personne qui enfreint l'une quelconque des dispositions des règlements précédents est passible, sur conviction sommaire devant deux juges de paix ou plus, d'une peine n'excédant pas cinq mille dollars ou d'emprisonnement pour un terme n'excédant pas cinq ans ou d'amende et d'emprisonnement.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GENÉRAL EN CONSEIL.

ATTENDU qu'il a été constaté que les règlements faits et établis par un arrêté en conseil du 6 janvier 1916, C.P. 3057, dans le but de punir et prévenir le délit d'absence sans permission de la milice active et du corps expéditionnaire d'outre-mer, ont besoin d'être modifiés, à ces fins, il plaît au Gouverneur général en conseil de décréter que le dit arrêté en conseil soit par les présentes abrogé.

Il plaît aussi au Gouverneur général en conseil, dans le même but, et d'après les pouvoirs conférés par l'article 6 de la *Loi des mesures de guerre* de décréter par les présentes ce qui suit :

1. Tout homme de la milice active du Canada, et tout soldat des forces expédionnaires canadiennes d'outre-mer qui s'absente du corps ou de l'effectif dont il fait partie sans la permission de l'officier commandant du dit corps ou du dit effectif, est coupable d'un délit et sur conviction sommaire sous l'empire des dispositions de la partie XV du code criminel, est passible d'emprisonnement, avec ou sans travaux forcés, pour un terme n'excédant pas deux ans.

2. Nonobstant toute disposition du code criminel, ou de toute autre loi, un juge de paix, un magistrat de police ou un magistrat stipendiaire a juridiction pour recevoir et juger toute accusation d'absence sans congé, même si l'infraction a été commise ou si l'accusation porte qu'elle a été commise en dehors de la division territoriale où le dit juge, magistrat de police ou magistrat stipendiaire a ou exerce sa juridiction.

3. La production d'un rôle de service ou d'une attestation signée par l'accusé sous la forme d'un engagement pris par lui de servir dans le corps ou l'effectif dont il est accusé d'être absent sans permission est une preuve suffisante que l'accusé était dûment enrôlé dans ce corps ou cet effectif, et une déclaration écrite signée par l'officier commandant ou l'officier en charge d'un district militaire au Canada affirmant que l'accusé est absent du corps ou de l'effectif dont il fait partie est une preuve *prima facie* que l'accusé est absent sans permission du dit corps ou du dit effectif, et suffit pour mettre à la charge de l'accusé la preuve que son absence du dit corps ou du dit effectif a été dûment autorisée.

4. Rien d'ici contenu ne limitera ou n'affectera de manière quelconque le droit des autorités militaires de prendre contre le délinquant les procédures autorisées par la loi militaire, mais un accusé ne peut être cité pour la même infraction devant et un tribunal militaire et une cour civile.

5. La solde et les allocations militaires de chacun qui aura été trouvé coupable d'absence, sans congé, de son corps ou de l'effectif auquel il appartient peuvent être confisquées pour compenser toute perte ou destruction ou tout dommage qu'il a causés ou a permis d'être causés à des armes, munitions, équipements, uniformes, instruments ou outillage régimentaires lorsque le Ministre de la Milice et de la Défense lui aura ordonné d'en payer la valeur.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 septembre 1916, représentant que M. Frank A. Collins, surintendant des terres des écoles à Winnipeg, a recommandé qu'il soit fait au cours du présent automne des ventes à l'enchère de terres des écoles dans les provinces de la Saskatchewan et de l'Alberta aux endroits suivants, savoir : Kamsack, Lac Blaine et Biggar, dans la province de la Saskatchewan, et à Provost, Sedgewick et Chinook, dans la province de l'Alberta ;

Que, avant de faire les arrangements pour ces ventes, les premiers ministres de la Saskatchewan et de l'Alberta ont été consultés quant à la sagesse de mettre à l'enchère des terres des écoles dans ces provinces au cours de cette année ;

Que, en réponse, une lettre du Trésorier provincial de la Saskatchewan déclarait que son ministère était d'avis que le présent automne était une époque convenable pour mettre à l'enchère les terres des écoles au Lac Blaine et à Biggar dans cette province ;

Que le premier ministre de l'Alberta a aussi signifié que son ministère approuvait les dites ventes dans la province de l'Alberta ;

Le Ministre, étant d'avis, d'après les représentations qui lui ont été faites qu'il serait dans l'intérêt du fonds des terres des écoles de mettre à l'enchère des terres des écoles aux endroits susmentionnés au cours du présent automne, recommande que le Conseil donne l'autorisation nécessaire à ces fins. Les terres en question seront inspectées avant que les ventes aient lieu et des mises à prix seront fixées suffisantes pour sauvegarder les intérêts du fonds des terres scolaires ;

Les ventes se feront aussi selon les conditions stipulées dans la *Loi des terres fédérales* en ce qui concerne la mise à l'enchère des terres des écoles ;

Un arrêté en conseil du 12 février 1916, autorisait la mise à l'enchère de terres des écoles dans la province du Manitoba, à Rossburn, Glenella et Dauphin, au cours des mois de juillet et juin derniers, alors qu'il a été fait aussi des ventes à l'enchère à plusieurs endroits dans les provinces de la Saskatchewan et de l'Alberta, mais comme l'inspection des terres qui devaient être mises à l'enchère au Manitoba a été beaucoup retardée à cause de la saison avancée, il a été impossible de mettre à l'enchère à cette époque les terres des écoles au Manitoba,—

En conséquence, le Ministre recommande que soit autorisée la vente des dites terres à Rossburn, Glenella et Dauphin au cours du présent automne.

Le comité agrée cette recommandation et la soumet pour approbation.

6. Tout aubain de nationalité ennemie qui a fait la déclaration susdite et a obtenu son permis doit, immé-

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs, —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changemeuts pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session : aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt apres la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 7th day of October, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it is deemed desirable in the execution of the powers conferred by section 2 of The Seed Control Act, that special grades of grain should be established exclusively for seed purposes without affecting the commercial grades fixed under the authority of The Canada Grain Act ;

And whereas the primary purpose of providing a special grade of grain that may be suitable for seed is to create a substantial supply of Red Fife and Marquis wheat, white oats and six-rowed barley that is clean, of superior quality and reasonably pure as to variety or type of grain, so that such supply of grain may conveniently be made available to farmers, seed merchants or grain dealers who sell seed at the minimum cost ; the main object is the improvement of field crops,—

Therefore the Govenor General in Council, under and in virtue of the provisions of section 2 of The Seed Control Act, is pleased to order and it is herein ordered as follows :—

The nomenclature of grades of grain for seed purposes shall be as follows—the same having been revised and approved by the chief Inspector of Grain and recommended for approval by the Minister of Agriculture, viz :—

No. 1 Canada Western seed oats shall be composed of No. 1 or No. 2 C. W. oats shall contain 95% of white oats, sound, clean and free from other grain ; shall be free from noxious weed seeds within the meaning of The Seed Control Act, and shall weigh not less than 34 pounds to the bushel.

No. 3 Canada Western seed barley shall be composed of the six-rowed variety, sound, plump, free from other grain, of fair colour, free from noxious weed seeds within the meaning of The Seed Control Act, and shall weigh not less than 45 pounds to the bushel.

No. 1 Manitoba Northern seed wheat shall be composed of 85 % of Red Fife, or 85% of Marquis wheat, sound, clean and free from other grain, and free from noxious weed seeds within the meaning of The Seed Control Act, weighing not less than 60 pounds to the bushel.

For No. 1 seed purposes Red Fife and Marquis wheat shall be kept separate.

No. 2 seed wheat shall be composed of grades No. 2 Northern, No. 3 Northern, or No. 4 slightly frosted wheat of Red Fife or Marquis variety, and when recleaned shall be practically free from other grain and noxious weed seeds, and the weight not less than 58 pounds to the bushel.

For No. 2 seed purposes Red Fife and Marquis wheat shall be kept separate.

No grain shall be accepted for seed which will require a large dockage to clean.

Seed Inspectors shall observe the foregoing regulations in the grading of grain for seed purposes, nevertheless inasmuch as the operations of seed inspectors are dependent upon and follow after the operations of grain inspectors in respect of the grain to be examined as to suitability for seed purposes, the seed inspectors will remain subject to the approval of the chief inspector of grain or his deputy in all matters of procedure and prompt attendance to duties and for efficiency and accuracy of technical work done, seed inspectors shall be responsible to the Minister of Agriculture.

Seed inspectors are hereby authorized to certify ex-elevator the grain graded for seed purposes pursuant to the foregoing regulations.

The Order in Council, dated 30th September, 1915, establishing special grades of grain for seed purposes is hereby rescinded.

This Order in Council shall be published twice in the *Canada Gazette.*

Clerk of the Privy Council.

Saturday, the 23rd day of September, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 19th September, 1916, from the Minister of the Interior, stating that Mr. Frank A. Collins, Superintendent of School Lands, Winnipeg, has recommended that auction sales of School Lands be held in the Provinces of Saskatchewan and Alberta

during the present autumn at the following points, namely :—Kamsack, Blaine Lake and Biggar in the Province of Saskatchewan, and at Provost, Sedgewick and Chinook in the Province of Alberta;

That before making any arrangements for these sales, the Premiers of Saskatchewan and Alberta were asked for an expression of their opinion as to the advisability of holding auction sales of School Lands in these Provinces during the present year;

That in reply a letter was received from the Provincial Treasurer of Saskatchewan stating that his Government was of the opinion that the present autumn would be an opportune time for holding sales of School Lands at Blaine Lake and Biggar in that Province;

That the Premier of Alberta has also expressed the concurrence of his Government in the proposed sales in the Province of Alberta,—

As the Minister is of opinion, in view of the representations made to him, that it would be in the interests of the School Lands Fund to hold auction sales of School Lands at points mentioned during the present autumn, he recommends that the authority of Council be given for that purpose. The lands will be inspected before the sales are held and will be offered at such upset prices as will safeguard the interests of the School Lands Endowment Fund. The sales will also be subject to the provisions of The Dominion Lands Act with respect to auction sales of School Lands.

Authority was given by Order in Council of the 12th February, 1916, for the holding of auction sales of School Lands in the Province of Manitoba at Rossburn, Glenella and Dauphin during the months of June and July last, when auction sales were also held at several points in the Provinces of Saskatchewan and Alberta, but as the inspections of the lands to be offered in Manitoba were greatly delayed owing to the lateness of the season, it was not found possible to offer the Manitoba School Lands at that time.

The Minister, therefore, recommends that authority be given for the sale of these lands at Rossburn, Glenella and Dauphin during the present autumn.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council

(294) Georgian bay, east side—Port Severn channel —Beacons, buoys and hydrographic notes.

Port Severn channel. Beacons and buoys.—The channel leading northward to Port Severn from the point where the alignment of the Severn river range lights intersects the alignment of the Waubaushene range lights has been marked by the Department of Marine with day beacons and spar buoys arranged in accordance with the annexed tabular list, to mark a channel with a least depth of nine feet.

Port Severn. Hydrographic notes.—Since Port Severn was surveyed by Captain Boulton the conditions have materially changed in consequence of the discontinuance of sawmill operations. The wharf on the west side, originally a slab wharf, is overgrown with vegetation and is no longer recognizable as a wharf; the quay shown joining the east shore with a small island has rotted down and disappeared; the Union church has been removed; the burner has also disappeared.

A fine reinforced concrete dam and bridge, forming the western terminus of the Trent Canal system, have been constructed by the Department of Railways and Canals across the mouth of Severn river. The bridge has a swing span near its western extremity over a lock intended to raise vessels from the level of Georgian bay to the first flooded section of Severn river. The centre of the swing span is in Lat. N. 44° 48′ 12″, Long. W. 79° 43′ 9″.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

Le Ministre ajoute que messieurs Smith et Fares ont fait déposer au Ministère de l'Intérieur la preuve démontrant qu'ils sont les propriétaires enregistrés des terrains contigus aux terrains demandés,—

Partie de la ½ S. du ¼ S.-E. de la section 12, township 17, rang 11, à l'ouest du 3e méridien, comprenant 57·0 acres—$10 l'acre.

Partie du ¼ S.-O. de la section 12, township 17, rang 11, à l'ouest du 3e méridien, comprenant 91·0 acres—$7 l'acre.

Partie du ¼ N.-O. de la section 12, township 17, rang 11, à l'ouest du 3e méridien, comprenant 125·0 acres—$5 l'acre.

ATTENDU que par un arrêté en conseil du 22 janvier 1914 ont été sanctionnés des règlements généraux concernant les trains et les enclenchements usités sur les chemins de fer de l'Etat ;

Et attendu que dans un rapport, daté le 2 septembre 1916, le gérant général des chemins de fer de l'Etat a représenté que, à cause de récentes améliorations dans le mécanisme d'enclenchement des signaux du *block-system*, et dans le but d'assurer la sécurité dans le mouvement des trains, il est expédient et nécessaire que certains articles des règlements actuels soient abrogés, savoir, certaines des "Définitions et indications" sous le titre "Signaux automatiques du *block-system*" et certaines des "Définitions et indications" sous le titre "Signaux d'enclenchements", et qu'aux dits articles soient substitués les suivants :

Signaux automatiques du block-system.
Définitions et indications.

Section (Block)—Partie d'une voie d'une longueur déterminée, sur laquelle le passage des trains est réglé par les signaux de section (block).

Signal de section (Block signal)—Signal fixe pour régler le passage sur la section (block).

Signal de section contigu (Home block signal)—Signal fixe à l'entrée de la section pour régler l'entrée et le passage sur la section.

Une aile de sémaphore dans une position horizontale indique "Arrêtez" Dans la même position, la nuit, le sémaphore porte une lumière rouge.

Une aile de sémaphore à 90 degrés au-dessus de l'horizontale indique "Passez." Dans la même position, la nuit, le sémaphore porte une lumière verte.

Signal de section à distance (Distant block signal)—Signal fixe relié à un signal de section contigu pour en régler l'approche.

Une aile de sémaphore à 45 degéts au-dessus de l'horizontale indique "Passez de manière à arrêter au signal suivant." Dans la même position la nuit, le sémaphore porte une lumière jaune.

Une aile de sémaphore à 90 degrés au-dessus de l'horizontale indique "Passez." Dans la même position la nuit, le sémaphore porte une lumière verte.

L'aile d'un sémaphore dans un signal automatique de section (automatic block signal) se termine en une pointe qui indique "Arrêtez et passez." La face est peinte en jaune avec une barre et le revers en noir avec une barre blanche.

Feux marqueurs—Les signaux automatiques portent une lumière blanche luniforme pour indiquer la forme de l'aile du signal, et se trouve à six pieds au-dessous de la lumière du signal. Un feu marqueur placé verticalement au-dessous de la lumière du signal indique que l'aile a une extrémité carrée ; placé diagonalement au-dessous de la lumière du signal, il indique une aile pointue.

Indicateur—Appareil "ordinairement manœuvré en rapport avec une aiguille", pour indiquer la position du signal auquel il réfère. Il porte une aile de petite dimension ou un disque qui prend la position d'arrêt quand le signal de section contigu prend la position d'arrêt, ou quand un train est près de s'engager sur la section. Aux croisements de la voie principale, les indicateurs placés près de chacune des voie, à l'aiguille, réfère au signal qui protège la section (block) sur l'autre voie.

Block-system automatique—Succession de sections (blocks) consécutives dont les signaux sont manœuvrés au moyen de l'électricité, de l'air ou d'un mécanisme quelconque mis en activité par le passage d'un train ou par certaines conditions résultant de la manœuvre sur la section (block).

SIGNAUX D'ENCLENCHEMENT.

Définitions et indications.

Enclenchement.—Disposition d'aiguilles, de clefs et de signaux reliés entre eux de façon à ce que leurs mouvements se suivent nécessairement dans un certain ordre fixé à l'avance.

Mécanisme d'enclenchement.—Ensemble des appareils d'aiguillage, de clefs et de signaux enclenchés.

Poste d'enclenchement.—Endroit d'où se manœuvre le mécanisme d'enclenchement.

Signaux d'enclenchement.—Signaux fixes d'un mécanisme d'enclenchement.

Signal contigu (Home signal)—Signal fixe pour règler le mouvement des trains sur une voie ou des voies, et placé à un point où les trains doivent s'arrêter quand la voie est fermée.

Une aile de sémaphore dans la position horizontale indique "Arrêtez." Dans la même position la nuit, le sémaphore porte une lumière rouge.

Une aile de sémaphore à soixante degrés au dessous, ou 90 degrés au-dessous de l'horizontale indique "Passez." Dans la même position, la nuit, le sémaphore porte une lumière verte.

Signal à distance—Signal fixe relié à un signal contigu (home signal) pour en régler l'approche.

Une aile de sémaphore à 45 degrés au-dessus de l'horizontale indique "Passez de manière à vous arrêter au prochain signal." Dans la même position, la nuit, le sémaphore porte une lumière jaune.

Une aile de sémaphore à 60 degrés au-dessous, ou 90 degrés au-dessus, de l'horizontale indique "Passez." Dans la même position, la nuit, le sémaphore porte une lumière verte.

Signal minuscule (dwarf signal)—Petit signal bas, du genre sémaphore, servant de signal contigu (home signal) pour garder une ou plusieurs voies divergentes ou nouvelles.

Lanterne signal (pot signal)—Un petit signal pour indiquer la position d'une aiguille ou remplacer un signal minuscule (dwarf signal).

Voie—Le chemin que prend un train en passant d'un point à un autre, surtout un chemin habituel ou fixé à l'avance, ou toutes combinaisons possibles d'embranchements ou croisements sur lesquels le train passe par un mécanisme d'enclenchement.

En conséquence, il plaît à Son Altesse Royale le Gouverneur Général en conseil de sanctionner l'adoption des règlements établis comme ci-dessus en remplacement de ces parties ci-dessus mentionnées des règlements sanctionnés par l'arrêté en conseil du 22 janvier 1914.

ATTENDU qu'il est représenté que certaines personnes cherchent à obtenir des commissions pour faire accorder des entreprises par la Commission impériale des munitions sous le prétexte que ces dites personnes ont auprès de la commission une influence qui leur permet de faire accorder ces entreprises ;

Et attendu que, pour les mêmes considérations qui ont conduit à la promulgation de l'article 158 du Code criminel, il est jugé nécessaire de prohiber la sollicitation ou l'acceptation de commissions ou de récompenses dans de telles circonstances, et d'imposer les mêmes peines,—

A ces causes, aux fins d'empêcher de telles pratiques, il plaît à Son Altesse Royale le Gouverneur général en conseil d'établir par les présentes le règlement suivant, savoir :—

RÈGLEMENT.

Est coupable d'un acte criminel et passible d'une amende d'au moins cent dollars et n'excédant pas mille dollars, et d'emprisonnement pour un terme n'excédant pas une année et d'au moins un mois, et, à défaut du paiement de l'amende, à l'emprisonnement pour un autre terme n'excédant pas six mois, quiconque possédant ou prétextant posséder de l'influence auprès du gouvernement, demande, exige, stipule, sollicite ou reçoit ou offre ou tente d'obtenir ou recevoir une compensation, une commission, un honoraire, ou une récompense quelconque pour faire accorder ou aider à obtenir, par lui-même ou par une autre personne, une entreprise, une commande ou un autre bénéfice du Gouvernement ; ou qui offre, promet ou paye dans de telles circonstances et pour les fins susmentionnées, ou pour aucune d'entre elles, une compensation, une commission, un honoraire ou une récompense comme susdit.

Le mot "Gouvernement," pour les fins du présent règlement, signifie et comprend le Gouvernement de Sa Majesté, soit pour le Royaume-Uni soit pour le Canada, et tout Ministre ou fonctionnaire qui en fait partie, ainsi que tout officier, tout bureau et toute commission nommés ou établis par Sa Majesté ou par un Ministre de la Couronne, ou par tout autre fonctionnaire ou toute autre autorité qui fait partie du Gouvernement de Sa Majesté, soit pour le Royaume-Uni soit pour le Canada.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 septembre 1916, représentant que M. Frank A. Collins, surintendant des terres des écoles à Winnipeg, a recommandé qu'il soit fait au cours du présent automne des ventes à l'enchère de terres des écoles dans les provinces de la Saskatchewan et de l'Alberta aux endroits suivants, savoir : Kamsack, Lac Blaine et Biggar, dans la province de la Saskatchewan, et à Provost, Sedgewick et Chinook, dans la province de l'Alberta ;

Que, avant de faire les arrangements pour ces ventes, les premiers ministres de la Saskatchewan et de l'Alberta ont été consultés quant à la sagesse de mettre à l'enchère des terres des écoles dans ces provinces au cours de cette année ;

Que, en réponse, une lettre du Trésorier provincial de la Saskatchewan déclarait que son ministère était d'avis que le présent automne était une époque convenable pour mettre à l'enchère les terres des écoles au Lac Blaine et à Biggar dans cette province ;

Que le premier ministre de l'Alberta a aussi signifié que son ministère approuvait les dites ventes dans la province de l'Alberta ;

Le Ministre, étant d'avis, d'après les représentations qui lui ont été faites qu'il serait dans l'intérêt du fonds des terres des écoles de mettre à l'enchère des terres des écoles aux endroits susmentionnés au cours du présent automne, recommande que le Conseil donne l'autorisation nécessaire à ces fins. Les terres en question seront inspectées avant que les ventes aient lieu et des mises à prix seront fixées suffisantes pour sauvegarder les intérêts du fonds des terres scolaires ;

Les ventes se feront aussi selon les conditions stipulées dans la *Loi des terres fédérales* en ce qui concerne la mise à l'enchère des terres des écoles ;

Un arrêté en conseil du 12 février 1916, autorisait la mise à l'enchère de terres des écoles dans la province du Manitoba, à Rossburn, Glenella et Dauphin, au cours des mois de juillet et juin derniers, alors qu'il a été fait aussi des ventes à l'enchère à plusieurs endroits dans les provinces de la Saskatchewan et de l'Alberta, mais comme l'inspection des terres qui devaient être mises à l'enchère au Manitoba a été beaucoup retardée à cause de la saison avancée, il a été impossible de mettre à l'enchère à cette époque les terres des écoles au Manitoba,—

En conséquence, le Ministre recommande que soit autorisée la vente des dites terres à Rossburn, Glenella et Dauphin au cours du présent automne.

Le comité agrée cette recommandation et la soumet pour approbation.

CONSIDÉRANT qu'il serait utile, en exécution des pouvoirs conférés par l'article II de la *Loi du contrôle des semences*, d'établir des qualités spéciales de grain de semence, exclusivement pour servir de semence, sans affecter aucunement les qualités commerciales établies sous l'autorité de la *Loi des grains du Canada ;*

Considérant que le premier objet de l'établissement d'une qualité spéciale de grain de semence est de créer un bon approvisionnement de blés Red Fife et Marquis, d'avoine blanche et d'orge à six rangs, propres, de qualité supérieure, raisonnablement purs, en ce qui concerne la variété et le type, et d'offrir ces grains à un prix minimum à tous les cultivateurs, les marchands et les commerçants qui vendent des semences dans le but principal d'améliorer les récoltes, il plaît au Gouverneur général en conseil, en vertu des dispositions de l'article 2 de la *Loi du contrôle des semences*, d'ordonner par ces présentes ce qui suit :—

La nomenclature des qualités de grain de semence sera la suivante, ces qualités ayant été revisées et approuvées par l'inspecteur en chef des grains et recommandées pour approbation par le Ministre de l'Agriculture, savoir :

L'avoine de semence de l'ouest du Canada No 1 sera composée d'avoine No 1 ou No 2 de l'Ouest (No 1 or No 2 Canada Western seed oats,) comprendra 95% d'avoine blanche, saine, propre, sans mélange d'autres grains et sans graines de mauvaises herbes dangereuses, dans la limite prescrite par la *Loi du contrôle des semences*, et ne pèsera pas moins de 34 livres au bo sseau.

L'orge de semence de l'ouest du Canada n° 3 (No 3 Canada Western seed barley) sera composée de la variété à six rangs ; elle sera saine, bien nourrie, sans mélange d'autres grains, de bonne couleur, sans graines de mauvaises herbes dangereuses, dans la limite prescrite par la *Loi du contrôle des semences* et ne pèsera pas moins de 45 livres au boisseau.

Le blé de semence du nord du Manitoba n° 1, (No 1 Manitoba Northern seed wheat) sera composé de 85% de Red Fife ou de 85% de blé Marquis, sain, propre, sans mélange d'autres grains, sans graines de mauvaises herbes dangerenses, dans la limite prescrite par la *Loi du contrôle des semences*, et ne pèsera pas moins de 60 livres au boisseau.

Les blés de semence n° 1 Red Fife et Marquis seront tenus séparément.

Le blé de semence n° 2 sera composé des blés du nord des qualités n° 2 ou n° 3, ou des variétés Red Fife ou Marquis n° 4 légèrement endommagées par la gelée ; ce blé de semence, après avoir été nettoyé de nouveau, devra être pratiquement exempté de graines étrangères et de graines de mauvaises herbes et ne peser pas moins de 58 livres au boisseau.

Les blés de semence n° 2 Red Fife et Marquis seront tenus séparément.

On n'acceptera pas, comme semence, du grain qui ne pourrait être nettoyé sans une forte réduction de volume.

Les inspecteurs de semence se conformeront aux règlements qui précèdent pour le classement du grain de semence; mais, comme les opérations de ces inspecteurs dépendent des opérations des inspecteurs de grain et font suite à ces dernières, en ce qui concerne le grain qui doit être examiné au point de vue de son aptitude à servir comme semence, les inspecteurs de semence restent sujets à l'approbation de l'inspecteur en chef des grains ou de son député dans toutes les questions de méthodes et d'assiduité à remplir leurs fonctions ; quant à l'efficacité et à l'exactitude des travaux techniques, les inspecteurs de semence sont responsables au Ministre de l'Agriculture.

Ces inspecteurs de semence sont autorisés à certifier au sortir de l'élévateur, les grains classés pour la semence, suivant les règlements qui précèdent.

L'arrêté en conseil daté le 30 septembre 1915, établissant des qualités spéciales de grains de semence, est par ces présentes rescindé.

Le présent arrêté en conseil sera publié deux fois dans la *Gazette du Canada.*

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Depôt de bills et honoraires.

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé : il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs, —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changemeuts pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

Saturday, the 23rd day of September, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 19th September, 1916, from the Minister of the Interior, stating that Mr. Frank A. Collins, Superintendent of School Lands, Winnipeg, has recommended that auction sales of School Lands be held in the Provinces of Saskatchewan and Alberta during the present autumn at the following points, namely :—Kamsack, Blaine Lake and Biggar in the Province of Saskatchewan, and at Provost, Sedgewick and Chinook in the Province of Alberta;

That before making any arrangements for these sales, the Premiers of Saskatchewan and Alberta were asked for an expression of their opinion as to the advisability of holding auction sales of School Lands in these Provinces during the present year;

That in reply a letter was received from the Provincial Treasurer of Saskatchewan stating that his Government was of the opinion that the present autumn would be an opportune time for holding sales of School Lands at Blaine Lake and Biggar in that Province;

That the Premier of Alberta has also expressed the concurrence of his Government in the proposed sales in the Province of Alberta,—

As the Minister is of opinion, in view of the representations made to him, that it would be in the interests of the School Lands Fund to hold auction sales of School Lands at points mentioned during the present autumn, he recommends that the authority of Council be given for that purpose. The lands will be inspected before the sales are held and will be offered at such upset prices as will safeguard the interests of the School Lands Endowment Fund. The sales will also be subject to the provisions of The Dominion Lands Act with respect to auction sales of School Lands.

Authority was given by Order in Council of the 12th February, 1916, for the holding of auction sales of School Lands in the Province of Manitoba at Rossburn, Glenella and Dauphin during the months of June and July last, when auction sales were also held at several points in the Provinces of Saskatchewan and Alberta, but as the inspections of the lands to be offered in Manitoba were greatly delayed owing to the lateness of the season, it was not found possible to offer the Manitoba School Lands at that time.

The Minister, therefore, recommends that authority be given for the sale of these lands at Rossburn, Glenella and Dauphin during the present autumn.

The Committee concur in the foregoing recommendation and submit the same for approval.

THE Committee of the Privy Council have had before them a report, dated 5th October, 1916, from the Minister of the Interior representing that Milton J. McCreary was granted preemption entry for the north-east ¼ of Section 13, Township 10, Range 22, west of the 3rd Meridian, on the 29th day of October, 1910 ;

The Minister submits a copy of a medical certificate from W. B. Kendall, M.D., stating that Mr. McCreary is suffering from pulmonary tuberculosis,—

The Minister, under the circumstances, recommends that the residence requirements of The Dominion Lands Act be dispensed with in this case under the authority of subsection 2 of section 20 of the Act, so that free patent may issue to Mr. McCreary for the quarter section above described, upon proof being furnished in the ordinary way that other conditions of the law have been fulfilled.

THE Committee of the Privy Council have had before them a report, dated 27th September, 1916, from the Minister of the Interior, stating that on the 29th May, 1913, one Sam Ollie—an Assyrian—obtained the south-west quarter of Section 9, Township 18, Range 13, west of the 3rd Meridian, under homestead entry ; that, according to evidence submitted, he erected a dwelling house and broke ten acres of land, and that he developed leprosy and has been segregated at the leper colony in Tracadie, New Brunswick,—

The Minister recommends, as the malady from which Mr. Ollie suffers is hopelessly incurable, that the performance of further settlement duties under subsection 2 of section 20 of The Dominion Lands Act of 1908 be waived and that the Department of the Interior be empowered to issue a free patent.

The Committee concur in the foregoing recommendation and submit the same for approval.

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 7th September, 1916, from the Minister of the Interior, submitting that Mr. Samuel Gill Warke, who was granted homestead entry for the south east quarter of Section 31, township 19, Range 11, west of the Principal Meridian, is blind ;

The Minister states that Mr. Warke, at a cost of $400, had 30 acres of his homestead brought under cultivation and a portion thereof cropped in each of four years, the total area of cultivation, 30 acres, having been cropped in the year 1916. Owing to his affliction, Mr. Warke was unable to go into residence on the land but resided with his uncle on the adjoining quarter-section. A Homestead Inspector investigated the case and furnished evidence corroborating the improvements set out above,—

Under the circumstances, the Minister recommends that the residence requirements of The Dominion Lands Act be dispensed with in connection with M. Warke's homestead, the south east quarter of Section 31, Township 19, Range 11, west of the Principal Meridian, under the authority of subsection 2 of section 20 of the Act, so that free patent may be issued to Mr. Warke for his homestead upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 5 octobre 1916, représentant que, le 29 octobre 1910, M. Milton J. McCreary a obtenu l'inscription de préemption du quart nord-est de la section 13, township 10, rang 22, à l'ouest du 3e méridien ;

Le Ministre ajoute que messieurs Smith et Fares ont fait déposer au Ministère de l'Intérieur la preuve démontrant qu'ils sont les propriétaires enregistrés des terrains contigus aux terrains demandés,—

Attendu que la pratique actuelle du Ministère est d'autoriser la vente de parties de quarts de section autrefois submergées aux propriétaires enregistrés de l'autre partie, le Ministre propose que, en vertu des dispositions de l'article 32 de la *Loi des terres fédérales*, les terrains en question, comprenant une étendue totale de 851·5 acres, soient vendus à messieurs Smith et Fares aux prix auxquels ils ont été respectivement évalués par un inspecteur de homesteads et aux conditions ordinaires de paiement.

ATTENDU qu'il est représenté que certaines personnes cherchent à obtenir des commissions pour faire accorder des entreprises par la Commission impériale des munitions sous le prétexte que ces dites personnes ont auprès de la commission une influence qui leur permet de faire accorder ces entreprises ;

Et attendu que, pour les mêmes considérations qui ont conduit à la promulgation de l'article 158 du Code criminel, il est jugé nécessaire de prohiber la sollicitation ou l'acceptation de commissions ou de récompenses dans de telles circonstances, et d'imposer les mêmes peines,—

A ces causes, aux fins d'empêcher de telles pratiques, il plaît à Son Altesse Royale le Gouverneur général en conseil d'établir par les présentes le règlement suivant, savoir :—

RÈGLEMENT.

Est coupable d'un acte criminel et passible d'une amende d'au moins cent dollars et n'excédant pas mille dollars, et d'emprisonnement pour un terme n'excédant pas une année et d'au moins un mois, et, à défaut du paiement de l'amende, à l'emprisonnement pour un autre terme n'excédant pas six mois, quiconque possédant ou prétextant posséder de l'influence auprès du gouvernement, demande, exige, stipule, sollicite ou reçoit ou offre ou tente d'obtenir ou recevoir une compensation, une commission, un honoraire, ou une récompense quelconque pour faire accorder ou aider à obtenir, par lui-même ou par une autre personne, une entreprise, une commande ou un autre bénéfice du Gouvernement ; ou qui offre, promet ou paye dans de telles circonstances et pour les fins susmentionnées, ou pour aucune d'entre elles, une compensation, une commission, un honoraire ou une récompense comme susdit.

Le mot " Gouvernement," pour les fins du présent règlement, signifie et comprend le Gouvernement de Sa Majesté, soit pour le Royaume-Uni soit pour le Canada, et tout Ministre ou fonctionnaire qui en fait partie, ainsi que tout officier, tout bureau et toute commission nommés ou établis par Sa Majesté ou par un Ministre de la Couronne, ou par tout autre fonctionnaire ou toute autre autorité qui fait partie du Gouvernement de Sa Majesté, soit pour le Royaume-Uni soit pour le Canada.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 septembre 1916, représentant que M. Frank A. Collins, surintendant des terres des écoles à Winnipeg, a recommandé qu'il soit fait au cours du présent automne des ventes à l'enchère de terres des écoles dans les provinces de la Saskatchewan et de l'Alberta aux endroits suivants, savoir : Kamsack, Lac Blaine et Biggar, dans la province de la Saskatchewan, et à Provost, Sedgewick et Chinook, dans la province de l'Alberta ;

Que, avant de faire les arrangements pour ces ventes, les premiers ministres de la Saskatchewan et de l'Alberta ont été consultés quant à la sagesse de mettre à l'enchère des terres des écoles dans ces provinces au cours de cette année ;

Que, en réponse, une lettre du Trésorier provincial de la Saskatchewan déclarait que son ministère était d'avis que le présent automne était une époque convenable pour mettre à l'enchère les terres des écoles au Lac Blaine et à Biggar dans cette province ;

Que le premier ministre de l'Alberta a aussi signifié que son ministère approuvait les dites ventes dans la province de l'Alberta ;

Le Ministre, étant d'avis, d'après les représentations qui lui ont été faites qu'il serait dans l'intérêt du fonds des terres des écoles de mettre à l'enchère des terres des écoles aux endroits susmentionnés au cours du présent automne, recommande que le Conseil donne l'autorisation nécessaire à ces fins. Les terres en question seront inspectées avant que les ventes aient lieu et des mises à prix seront fixées suffisantes pour sauvegarder les intérêts du fonds des terres scolaires ;

Les ventes se feront aussi selon les conditions stipulées dans la *Loi des terres fédérales* en ce qui concerne la mise à l'enchère des terres des écoles ;

Un arrêté en conseil du 12 février 1916, autorisait la mise à l'enchère de terres des écoles dans la province du Manitoba, à Rossburn, Glenella et Dauphin, au cours des mois de juillet et juin derniers, alors qu'il a été fait aussi des ventes à l'enchère à plusieurs endroits dans les provinces de la Saskatchewan et de l'Alberta, mais comme l'inspection des terres qui devaient être mises à l'enchère au Manitoba a été beaucoup retardée à cause de la saison avancée, il a été impossible de mettre à l'enchère à cette époque les terres des écoles au Manitoba,—

En conséquence, le Ministre recommande que soit autorisée la vente des dites terres à Rossburn, Glenella et Dauphin au cours du présent automne.

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT qu'il serait utile, en exécution des pouvoirs conférés par l'article II de la *Loi du contrôle des semences*, d'établir des qualités spéciales de grain de semence, exclusivement pour servir de semence, sans affecter aucunement les qualités commerciales établies sous l'autorité de la *Loi des grains du Canada ;*

Considérant que le premier objet de l'établissement d'une qualité spéciale de grain de semence est de créer un bon approvisionnement de blés Red Fife et Marquis, d'avoine blanche et d'orge à six rangs, propres, de qualité supérieure, raisonnablement purs, en ce qui concerne la variété et le type, et d'offrir ces grains à un prix minimum à tous les cultivateurs, les marchands et les commerçants qui vendent des semences dans le but principal d'améliorer les récoltes, il plaît au Gouverneur général en conseil, en vertu des dispositions de l'article 2 de la *Loi du contrôle des semences*, d'ordonner par ces présentes ce qui suit :—

La nomenclature des qualités de grain de semence sera la suivante, ces qualités ayant été revisées et approuvées par l'inspecteur en chef des grains et recommandées pour approbation par le Ministre de l'Agriculture, savoir :

L'avoine de semence de l'ouest du Canada No 1 sera composée d'avoine No 1 ou No 2 de l'Ouest (No 1 or No 2 Canada Western seed oats,) comprendra 95% d'avoine blanche, saine, propre, sans mélange d'autres grains et sans graines de mauvaises herbes dangereuses, dans la limite prescrite par la *Loi du contrôle des semences*, et ne pèsera pas moins de 34 livres au boisseau.

L'orge de semence de l'ouest du Canada n° 3 (No 3 Canada Western seed barley) sera composée de la variété à six rangs ; elle sera saine, bien nourrie, sans mélange d'autres grains, de bonne couleur, sans graines de mauvaises herbes dangereuses, dans la limite prescrite par la *Loi du contrôle des semences* et ne pèsera pas moins de 45 livres au boisseau.

Le blé de semence du nord du Manitoba n° 1, (No 1 Manitoba Northern seed wheat) sera composé de 85% de Red Fife ou de 85% de blé Marquis, sain, propre, sans mélange d'autres grains, sans graines de mauvaises herbes dangerenses, dans la limite prescrite par la *Loi du contrôle des semences*, et ne pèsera pas moins de 60 livres au boisseau.

Les blés de semence n° 1 Red Fife et Marquis seront tenus séparément.

Le blé de semence n° 2 sera composé des blés du nord des qualités n° 2 ou n° 3, ou des variétés Red Fife ou Marquis n° 4 légèrement endommagées par la gelée ; ce blé de semence, après avoir été nettoyé de nouveau, devra être pratiquement exempté de graines étrangères et de graines de mauvaises herbes et ne peser pas moins de 58 livres au boisseau.

Les blés de semence n° 2 Red Fife et Marquis seront tenus séparément.

On n'acceptera pas, comme semence, du grain qui ne pourrait être nettoyé sans une forte réduction de volume.

Les inspecteurs de semence se conformeront aux règlements qui précèdent pour le classement du grain de semence; mais, comme les opérations de ces inspecteurs dépendent des opérations des inspecteurs de grain et font suite à ces dernières, en ce qui concerne le grain qui doit être examiné au point de vue de son aptitude à servir comme semence, les inspecteurs de semence restent sujets à l'approbation de l'inspecteur en chef des grains ou de son député dans toutes les questions de méthodes et d'assiduité à remplir leurs fonctions ; quant à l'efficacité et à l'exactitude des travaux techniques, les inspecteurs de semence sont responsables au Ministre de l'Agriculture.

Ces inspecteurs de semence sont autorisés à certifier au sortir de l'élévateur, les grains classés pour la semence, suivant les règlements qui précèdent.

L'arrêté en conseil daté le 30 septembre 1915, établissant des qualités spéciales de grains de semence, est par ces présentes rescindé.

Le présent arrêté en conseil sera publié deux fois dans la *Gazette du Canada*.

Harry Chawner Adams a obtenu, le 5 novembre 1912, par script des volontaires de la guerre Sud-Africaine, la concession de la moitié est de la section 6, township 40, rang 16, à l'ouest du 3e méridien ; que d'après les renseignements reçus l'inscrit ne s'est acquitté d'aucune des obligations de résidence sur le terrain même, vu qu'il lui a été impossible d'y trouver de l'eau, mais qu'il a résidé sur le terrain qu'il avait acheté, soit le quart sud-est de la section 7, dans le même township et le même rang, du 1er mai 1912 au 15 septembre 1913, alors qu'il fut obligé de cesser d'y résider pour cause de maladie ; que les améliorations sur la concession ci-dessus mentionnée consistent en clôture pour 160 acres de terrain, et que l'inscrit était le propriétaire du bétail suivant : en 1912, 171 têtes de bétail ; en 1913, 391 têtes de bétail ; en 1914, 60 têtes de bétail.

Dans ces circonstances, le Ministre recommande que M. Adams soit relevé de toute autre obligation de résidence conformément aux dispositions du paragraphe 2 de l'article 20, chapitre 20, 7–8 Edouard VII, afin que la patente gratuite de son terrain puisse lui être accordée dès qu'il aura été prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le Bureau du Trésor agrée cette recommandation et la soumet pour approbation.

SON EXCELLENCE L'ADMINISTRATEUR EN CONSEIL.

ATTENDU qu'en vertu d'une loi du parlement du Royaume-Uni de la Grande-Bretagne et d'Irlande, intitulée "*Loi de 1915 concernant la restriction du transfert des navires britanniques.*" "The British Ships (Transfer Restriction) Act, 1915," le transfert de navires britanniques à des personnes inhabiles à posséder des navires britanniques est soumis à des restrictions et des règlements ; et

Toute personne qui néglige de fournir tels renseignements qui sont en son pouvoir de fournir quand demande lui en est faite, ou qui fournit des renseignements qui sont faux dans un détail matériel quelconque, sera coupable d'un délit.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 7 septembre 1916, représentant que M. Samuel Gill Warke, qui avait obtenu l'inscription de homested du quart sud-est de la section 31, township 19, rang 11, à l'ouest du méridien principal, est devenu aveugle ;

Le Ministre déclare que M. Warke, au coût de $400, a mis en état de culture 30 acres de son homestead, en a ensemencé une partie annuellement pendant quatre ans, l'ensemencement total des 30 acres ayant été effectué en l'année 1916. La maladie a empêché M. Warke de résider sur son homestead, mais il demeura avec son oncle sur le quart de section y attenant. Après enquête, un inspecteur de homestead a produit la preuve que les améliorations susmentionnées ont été faites,—

Vu les circonstances, le Ministre recommande que sous l'empire du paragraphe 2, de l'article 20 de la loi, M. Warke soit relevé des obligations de résidence exigées par la *Loi des terres fédérales* en rapport avec son homestead, soit le quart sud-est de la section 31, township 19, rang 11, à l'ouest du méridien principal, et que patente gratuite lui en soit délivrée sur preuve établie de la manière ordinaire que les autres conditions de la loi ont été remplies.

ATTENDU qu'il s'est présenté des cas dans des ports des possessions britanniques d'outre-mer où il aurait été à l'avantage des capitaines des transports de l'amirauté de pouvoir invoquer, pour le maintien de la discipline à bord de leurs navires, un règlement semblable à l'article 39a des règlements impériaux pour la défense du Royaume, qui traite des cas d'indiscipline à bord des transports de l'amirauté dans des ports du Royaume-Uni et qui, représente-t-on, a été efficace dans le Royaume-Uni pour réprimer les délits d'ivrognerie et d'absence du bord de la part des marins de la marine marchande engagée sur des navires réquisitionnés ou affrétés par l'amirauté, ainsi que pour permettre à ces navires d'éviter les délais dans leur départ de divers ports du Royaume-Uni,—

(*b*) Rejoint son navire ou se trouve à bord dans un tel état d'ivresse que son service ou la navigation du navire en souffre, est coupable de délit et passible, sur conviction sommaire, sous l'empire de la partie XV de la *Loi criminelle ;* et le capitaine, second ou propriétaire du navire, ou son agent, ou tout officier breveté de la marine peut, avec ou sans l'aide des agents de police ou constables locaux, conduire à bord de son navire tout marin qu'il a raison de croire coupable de contravention au présent article ; et il peut aussi l'appréhender au corps sans se pourvoir au préalable d'un mandat d'arrestation, et il est par ces présentes ordonné aux agents de police ou constables de prêter main-forte lorsqu'ils en sont requis. Toutefois, nul officier breveté de la marine qui agit en exécution des pouvoirs susdits ne sera passible de peine quelconque ou d'action pour emprisonnement illégal.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesnres à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Depôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension	$ 100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000 et n'excède pas $500,000	100 00
(*e*) Lorsque le capital social projeté d'une compagnie dépasse $500,000, et n'excède pas $750,000	150 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le repré entant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills prives.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs, —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changemeuts pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 5th October, 1916, from the Minister of the Interior representing that Milton J. McCreary was granted preemption entry for the north-east $\frac{1}{4}$ of Section 13, Township 10, Range 22, west of the 3rd Meridian, on the 29th day of October, 1910 ;

The Minister observes that it would appear from evidence furnished that Mr. McCreary may have performed one term of residence and that he has done a sufficient amount of breaking ;

The Minister submits a copy of a medical certificate from W. B. Kendall, M.D., stating that Mr. McCreary is suffering from pulmonary tuberculosis,—

The Minister, under the circumstances, recommends that the residence requirements of The Dominion Lands Act be dispensed with in this case under the authority of subsection 2 of section 20 of the Act, so that free patent may issue to Mr. McCreary for the quarter section above described, upon proof being furnished in the ordinary way that other conditions of the law have been fulfilled.

The Minister recommends, as the malady from which Mr. Ollie suffers is hopelessly incurable, that the performance of further settlement duties under subsection 2 of section 20 of The Dominion Lands Act of 1908 be waived and that the Department of the Interior be empowered to issue a free patent.

The Committee concur in the foregoing recommendation and submit the same for approval.

The Minister states that Mr. Warke, at a cost of $400, had 30 acres of his homestead brought under cultivation and a portion thereof cropped in each of four years, the total area of cultivation, 30 acres, having been cropped in the year 1916. Owing to his affliction, Mr. Warke was unable to go into residence on the land but resided with his uncle on the adjoining quarter-section. A Homestead Inspector investigated the case and furnished evidence corroborating the improvements set out above,—

The attention of all Masters or other persons in command or charge of vessels is directed to the duty of obeying promptly and strictly all orders, whether by way of signal or otherwise, given by any Officer in Command of any of His Majesty's Ships or by any Naval or Military Officer engaged in the defence of the coast. Cases have been reported to the British Admiralty in which British Merchant vessels have wilfully disregarded the Orders given by Patrol Boats, &c., and it is therefore considered necessary to remind all persons concerned of the penalties provided for such acts of disobedience.

Where vessels neglect to obey Orders so given the person in charge is liable to prosecution under the Defence of the Realm (Consolidation) Regulations 1914, and upon conviction to be fined £100 or imprisoned for six months or, where the disobedience was of an aggravated kind, to suffer both penalties.

It should also be noted that failure to obey orders may necessitate the seizure and detention of the vessel, when found in any port of the United Kingdom subsequently to the time at which the act of disobedience was committed.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what

cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessfull, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

SON ALTESSE ROYALE LE GOUVERNEUR GÉNERAL EN CONSEIL.

ATTENDU qu'il s'est présenté des cas dans des ports des possessions britanniques d'outre-mer où il aurait été à l'avantage des capitaines des transports de l'amirauté de pouvoir invoquer, pour le maintien de la discipline à bord de leurs navires, un règlement semblable à l'article 39a des règlements impériaux pour la défense du Royaume, qui traite des cas d'indiscipline à bord des transports de l'amirauté dans des ports du Royaume-Uni et qui, représente-t-on, a été efficace dans le Royaume-Uni pour réprimer les délits d'ivrognerie et d'absence du bord de la part des marins de la marine marchande engagée sur des navires réquisitionnés ou affrétés par l'amirauté, ainsi que pour permettre à ces navires d'éviter les délais dans leur départ de divers ports du Royaume-Uni,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil, dans le même but, et en vertu des pouvoirs à cet effet qui lui sont conférés par l'article 6 de la *Loi des mesures de guerre, 1914*, ou dont le Gouverneur général en conseil est autrement investi, d'établir les ordres et règlements suivants, et ces ordres et règlements sont par ces présentes établis en conséquence.

1. Si, lorsqu'il est dans les limites de la juridiction, un marin légalement engagé conformément aux dispositions des *Lois de la marine marchande, 1894 à 1914*, pour servir à bord d'un navire appartenant à l'Amirauté, ou affrété ou réquisionné par l'Amirauté :

(*a*) Néglige ou refuse, sans cause raisonnable, de se rendre ou de partir sur son navire ou qui sans permission, s'absente en quelque temps que ce soit de son navire ou de son service, ou

(*b*) Rejoint son navire ou se trouve à bord dans un tel état d'ivresse que son service ou la navigation du navire en souffre, est coupable de délit et passible, sur conviction sommaire, sous l'empire de la partie XV de la *Loi criminelle ;* et le capitaine, second ou propriétaire du navire, ou son agent, ou tout officier breveté de la marine peut, avec ou sans l'aide des agents de police ou constables locaux, conduire à bord de son navire tout marin qu'il a raison de croire coupable de contravention au présent article ; et il peut aussi l'appréhender au corps sans se pourvoir au préalable d'un mandat d'arrestation, et il est par ces présentes ordonné aux agents de police ou constables de prêter main-forte lorsqu'ils en sont requis. Toutefois, nul officier breveté de la marine qui agit en exécution des pouvoirs susdits ne sera passible de peine quelconque ou d'action pour emprisonnement illégal.

2. Tel marin accusé d'infraction de l'article précédent, si l'infraction tombe sous les dispositions du paragraphe (*a*), est passible des peines prescrites pour telles infractions par l'article 221 de la *Loi de la marine marchande, 1894*, et si l'infraction tombe sous les dispositions du paragraphe (*b*), est passible d'une amende n'excédant pas $25.00.

SON EXCELLENCE L'ADMINISTRATEUR EN CONSEIL.

ATTENDU qu'en vertu d'une loi du parlement du Royaume-Uni de la Grande-Bretagne et d'Irlande, intitulée "*Loi de 1915 concernant la restriction du transfert des navires britanniques.*" "The British Ships (Transfer Restriction) Act, 1915," le transfert de navires britanniques à des personnes inhabiles à posséder des navires britanniques est soumis à des restrictions et des règlements ; et

Attendu que, par des règlements établis par un arrêté du Gouverneur général en conseil, daté le 9e jour de mars 1915, des mesures semblables ont été décrétées sous le régime de la *Loi de 1914 des mesures de guerre ;* et

Attendu qu'en vertu d'une loi du dit parlement du Royaume-Uni intitulée *Loi pour modifier la loi de 1915 concernant la restriction du transfert des navires britannique et en étendre l'application* "An Act to amend and extend the British ships Transfer (Restriction) Act, 1915", les hypothèques et les transferts d'hypothèques de navires britanniques enregistrés ailleurs que dans l'Inde et dans les Dominions autonomes, à des étrangers ou à des compagnies sous direction étrangère, sont soumis à des restrictions et des règlements ; et

Attendu qu'il est jugé expédient que de semblables mesures soient décrétées pour le Canada,—

A ces fins, il plaît à Son Excellence l'Administrateur en conseil, en vertu des dispositions de la *Loi de 1914 des mesures de guerre*, d'établir par les présentes les règlements suivants :

L'application des règlements établis par l'arrêté en conseil du 9 mars 1915 (C.P. 505) est par les présentes étendue, et les dits règlements s'appliquent aux hypothèques (y compris les transferts d'hypothèques) de navires, faits après le dixième jour d'août 1916 de la même manière qu'ils s'appliquent aux transferts de navires, et s'appliquent aux hypothèques (y compris les transferts d'hypothèques) et les transferts de navires à des compagnies sous direction étrangère, faits après le dixième jour d'août 1916 de la même manière qu'ils s'appliquent aux transferts de navires à des personnes qui sont inhabibles à posséder un navires britannique.

(2.) L'expression " Compagnie sous direction étrangère " signifie toute corporation :—

(*a*) Dont la majorité des directeurs, ou des personnes occupant la position de directeurs, quels que soient leurs désignations, ne sont pas sujets britanniques ; ou

(3.) Le Ministre de la Marine et des Pêcheries peut exiger de toute personne qui n'est pas le propriétaire ou l'hypothécaire d'un navire britannique, ou qui demande d'être enregistré comme propriétaire ou hypothécaire d'un navire britannique de lui fournir tels renseignements qu'il lui semble nécessaires afin de s'assurer si la dite personne est ou n'est pas une compagnie sous direction étrangère ou un fiduciaire ou autre représentant d'icelle, et, dans le cas d'une corporation, peut aussi exiger du secrétaire ou de tout autre officier de la corporation qui remplit les devoirs de secrétaire de lui fournir ces renseignements.

Toute personne qui néglige de fournir tels renseignements qui sont en son pouvoir de fournir quand demande lui en est faite, ou qui fournit des renseignements qui sont faux dans un détail matériel quelconque, sera coupable d'un délit.

2. Après la promulgation des présents règlements, si une personne qui est propriétaire ou hypothécaire d'un navire britannique cesse d'être sujet britannique, ou devient une compagnie sous direction étrangère, le dit navire, ou, dans le cas de l'hypothécaire d'un navire, les droits du dit hypothécaire sont sujets à confiscation, et les dispositions de la partie I de la *Loi de 1894 de la marine marchande* concernant la confiscation de navires, s'y appliqueront.

3. (1) Dans les présents règlements, à moins que le contexte ne l'exige autrement, toute mention de navire comprendra la mention d'une part dans le dit navire.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 7 septembre 1916, représentant que M. Samuel Gill Warke, qui avait obtenu l'inscription de homested du quart sud-est de la section 31, township 19, rang 11, à l'ouest du méridien principal, est devenu aveugle ;

Le Ministre déclare que M. Warke, au coût de $400, a mis en état de culture 30 acres de son homestead, en a ensemencé une partie annuellement pendant quatre ans, l'ensemencement total des 30 acres ayant été effectué en l'année 1916. La maladie a empêché M. Warke de résider sur son homestead, mais il demeura avec son oncle sur le quart de section y attenant. Après enquête, un inspecteur de homestead a produit la preuve que les améliorations susmentionnées ont été faites,—

Vu les circonstances, le Ministre recommande que sous l'empire du paragraphe 2, de l'article 20 de la loi, M. Warke soit relevé des obligations de résidence exigées par la *Loi des terres fédérales* en rapport avec son homestead, soit le quart sud-est de la section 31, township 19, rang 11, à l'ouest du méridien principal, et que patente gratuite lui en soit délivrée sur preuve établie de la manière ordinaire que les autres conditions de la loi ont été remplies.

Et attendu qu'il a été subséquemment décidé de ne pas donner suite à ce projet, mais de mettre à l'enchère publique les parties non concédées de la section 11 en question, ce qui a été fait en conséquence ;

Et attendu que la section 17 en question n'est plus requise, par conséquent, pour le fonds des terres des écoles ;

Et attendu que la section 17 en question n'a jamais été mentionnée dans la *Gazette du Canada* comme faisant partie des terres des écoles ;

Et attendu que le dit arrêté en conseil du 21 juillet 1910 semblerait avoir pour effet de réserver la section 17 pour les fins du fonds des terres des écoles,—

Par conséquent, et en vertu du fait que la section 17 n'est plus requise pour le fonds des terres des écoles, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que le dit arrêté en conseil du 21 juillet 1910 soit par ces présentes rescindé.

PRÉSENT:

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU Bureau du Trésor a été soumis un mémoire de l'honorable Ministre de l'Intérieur représentant que M. Harry Chawner Adams a obtenu, le 5 novembre 1912, par script des volontaires de la guerre Sud-Africaine, la concession de la moitié est de la section 6, township 40, rang 16, à l'ouest du 3e méridien ; que d'après les renseignements reçus l'inscrit ne s'est acquitté d'aucune des obligations de résidence sur le terrain même, vu qu'il lui a été impossible d'y trouver de l'eau, mais qu'il a résidé sur le terrain qu'il avait acheté, soit le quart sud-est de la section 7, dans le même township et le même rang, du 1er mai 1912 au 15 septembre 1913, alors qu'il fut obligé de cesser d'y résider pour cause de maladie ; que les améliorations sur la concession ci-dessus mentionnée consistent en clôture pour 160 acres de terrain, et que l'inscrit était le propriétaire du bétail suivant : en 1912, 171 têtes de bétail ; en 1913, 391 têtes de bétail ; en 1914, 60 têtes de bétail.

Dans ces circonstances, le Ministre recommande que M. Adams soit relevé de toute autre obligation de résidence conformément aux dispositions du paragraphe 2 de l'article 20, chapitre 20, 7–8 Edouard VII, afin que la patente gratuite de son terrain puisse lui être accordée dès qu'il aura été prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le Bureau du Trésor agrée cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,
16–4 Greffier du Conseil privé.

COMMISSION DU SERVICE CIVIL DU CANADA.

EXAMENS DU SERVICE CIVIL.

Modifications aux règlements.

AVIS public est par le présent donné qu'en vertu d'un arrêté en conseil, daté du 12 octobre 1916, les modifications suivantes sont apportées aux règlements concernant les examens du Service civil :

(1) Préférence accordée aux soldats réformés.—Dans toutes les nominations au Service civil, soit au Service intérieur, soit au Service extérieur, préférence sera accordée aux candidats ayant au moins le minimum des aptitudes qu'exige la loi et ayant fait du service d'outre-mer dans les armées de Sa Majesté au cours de la présente guerre, et qui en ont été honorablement réformés, spécialement à ceux qui par suite de blessures reçues en service militaire actif sont incapables de vaquer à leurs occupations habituelles.

(2) *Extension des limites d'âge.*—(*a*) Aussi longtemps que durera la présente guerre, la limite d'âge minimum pour les examens du service civil, ainsi que pour l'admission au Service civil, tant intérieur qu'extérieur, est réduite de dix-huit à seize ans.

(*b*) Aussi longtemps que durera la présente guerre, un aspirant aux examens et aux emplois du Service civil, tant inférieur qu'extérieur, qui a fait du service d'outre-mer dans les armées de Sa Majesté et qui en a été honorablement réformé, ou qui s'est offert pour service actif au cours de la présente guerre et n'a pas été admis, ou qui a désiré s'enrôler et a demandé à l'être et a été refusé parce que ses services étaient plus utiles à l'Etat dans les fonctions qu'il remplissait que s'il s'était enrôlé pour service actif dans la marine ou dans l'armée, et qui est en conséquence détenteur de l'insigne accordée en pareil cas, ne sera pas inéligible en raison du fait qu'il a plus de trente-cinq ans.

(3) *Restrictions aux nominations.*—Aussi longtemps que durera la présente guerre, aucun homme d'âge militaire sera nommé au Service civil, tant intérieur qu'extérieur, à moins qu'il ne soit compris dans l'une des catégories de personnes données dans la classe 2 (*b*), et qu'il ne soit détenteur de l'insigne accordée en pareil cas.

(4) *Exemption d'honoraires d'examen.*—Un aspirant qui a fait du service d'outre-mer dans les armées de Sa Majesté, et qui en a été honorablement réformé, n'aura pas à payer d'honoraires pour l'un quelconque des divers examens tenus sous la juridiction de la Commission du Service civil pour admission ou pour promotion au Service civil, tant intérieur qu'extérieur.

Vu les changements qui précèdent, il a été décidé de remettre les examens du Service Civil qui devaient avoir lieu au mois de novembre 1916, au mois de décembre 1916, alors qu'ils seront tenus aux jours suivants :

Examen préliminaire du Service extérieur, 19 décembre.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension	$ 100 00

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée " partie défenderesse ".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs, —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.
